Why would you like to volunteer with us here?

What made you contact our office?

Various volunteer experiences require different levels of commitment and time availability. Direct client services require a one year commitment and availability for one 4-hour shift per week. If this is not possible, you are able to participate in a variety of clinic activities, which require less training and, therefore require a lesser time commitment.

Are you able to make a one-year time commitment? YES NO

Are you able to make a six month time commitment? YES NO

Please check areas of interest:

- Administrative/ Clerical support
- Direct Client Services
- Independent Projects (design our newsletter, landscaping outside.... based on your skills)

Minimum time commitment

- 2 hours per week
- 4 hours per week (1 year)
- as needed

What experience, skills, education, or interests should we know about in attempting to place you here as a volunteer? Do you speak a language other than English?

Are there particular days or times that you are available to volunteer?

Are you hoping to volunteer as part of a school program or internship? Please provide us with the requirements (feel free to enclose extra sheets if your school/teacher has given you something in writing).

Part of volunteering here is to advocate and support women who are seeking abortion services. Would this be a problem for you?
